Outgrown Uniforms? Needing an extra school top or jump?

We are excited to let you know that our MAPs Second Hand Uniform Shop is up and running so that our school families AND new school families can grab an affordable uniform with ease.

All of our pieces are pre-loved, but we carefully handpick only the best quality items. While they are freshly washed and ready to wear, please note that minor signs of wear or small marks may occasionally be present.

It's super easy too!
